

Library Settings Editor

Evergreen Indiana libraries can edit many local preferences including staff client timeout, email “bounceback” addresses and default item prices via the Library Settings Editor.

To access, click Admin (-) > Local System Administration > Library Settings Editor

Library Settings Editor

Edit Settings for: Marshallville Public Library

Library Settings for Marshallville Public Library			
OPAC Inactivity Timeout (in seconds)	<input type="text" value="43200"/>	<input type="button" value="Apply"/>	<input type="button" value="Apply to all Locations"/>
Staff Login Inactivity Timeout (in seconds)	<input type="text" value="43200"/>	<input type="button" value="Apply"/>	<input type="button" value="Apply to all Locations"/>
Lost Materials Processing Fee	<input type="text" value="\$10.55"/>	<input type="button" value="Apply"/>	<input type="button" value="Apply to all Locations"/>
Default Item Price	<input type="text" value="\$10.00"/>	<input type="button" value="Apply"/>	<input type="button" value="Apply to all Locations"/>
"FROM" email address for patron notices (note: delivery failures will be returned this address)	<input type="text"/>	<input type="button" value="Apply"/>	<input type="button" value="Apply to all Locations"/>

1. "Apply to all Locations" will force the new setting to be applied to all locations in the location dropdown.

- * OPAC Inactivity Timeout (in seconds) is the inactivity time limit patrons stay logged into public OPAC computers
- * Staff Login Inactivity Timeout (in seconds) is the inactivity time limit staff stays logged into the staff client
- * Lost Materials Processing Fee is the dollar amount billed to patrons automatically when items are marked “lost”
- * Default Item Price is the “fallback” dollar amount when no price is set in the MARC record of an item
- * “FROM” email address for patron notices is the email address all bounce backs and replies will be sent to.
